*I'm going to miss
this old place
for a million
different reasons . . .*

*I remember
what it was like
to be new around here . . .
the place seemed
a little bigger then . . .
and though
I never admitted it,
a whole lot scarier!*

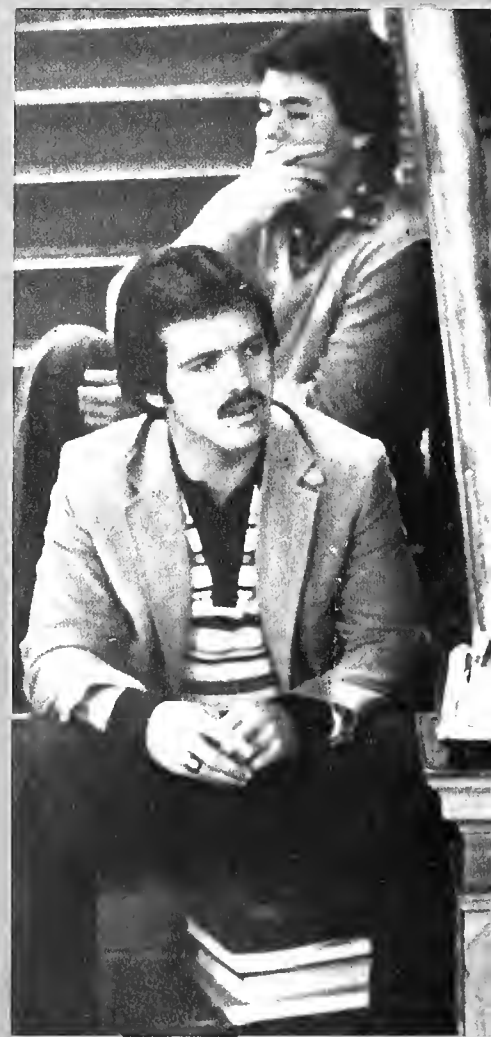

*For a while
I wondered how I was
ever going to fit
into this strange,
super-sophisticated
world . . .
but now I wonder
what I was so worried
about . . .
the confidence
came . . .
and so did the fun!*

*What an assortment
of unforgettable characters
I've met here!*

*There were classmates I liked
right from the start,
and those who took
a little getting used to . . .
There were teachers I loved,
and teachers I survived . . .*

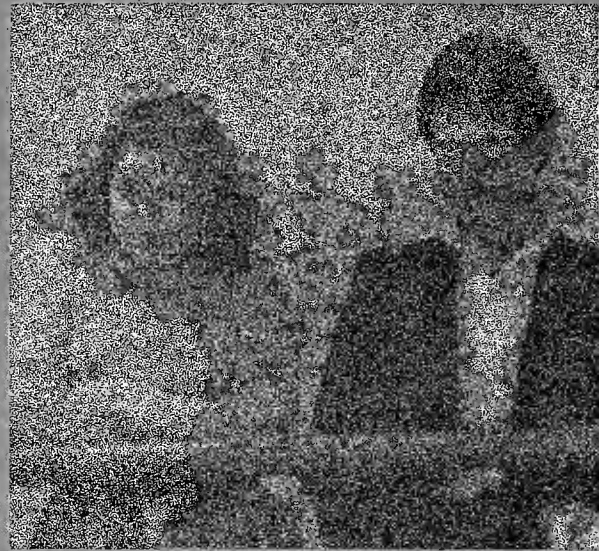

*Most of all,
 there were the good friends
 I made here . . .
 and all the together times
 we shared.
 I remember times
 when we won together,
 and times when we lost . . .
 times when we worried together,
 and times when we celebrated . . .
 But how do you ever say thanks
 for a mind-full
 of beautiful memories?*

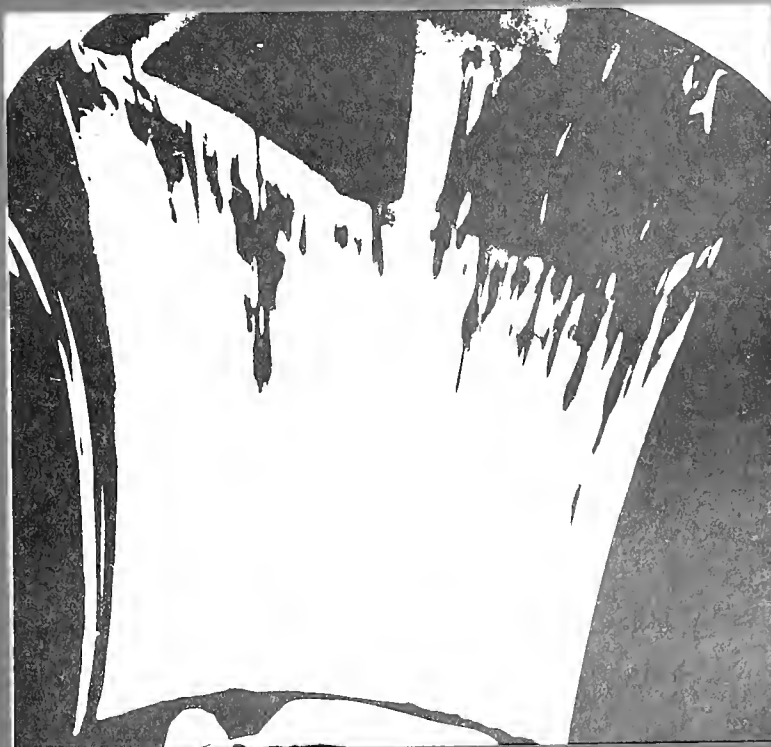

*Looking back
I'm amazed that so many
crazy and colorful things
could have happened
in just these few years . . .
but I'm glad
they all happened to me!*

*It won't be easy
saying good-bye
to this place . . .
to these friends . . .
but I have so much more
to learn
about the world,
about myself . . .
and it's time
to continue on.*

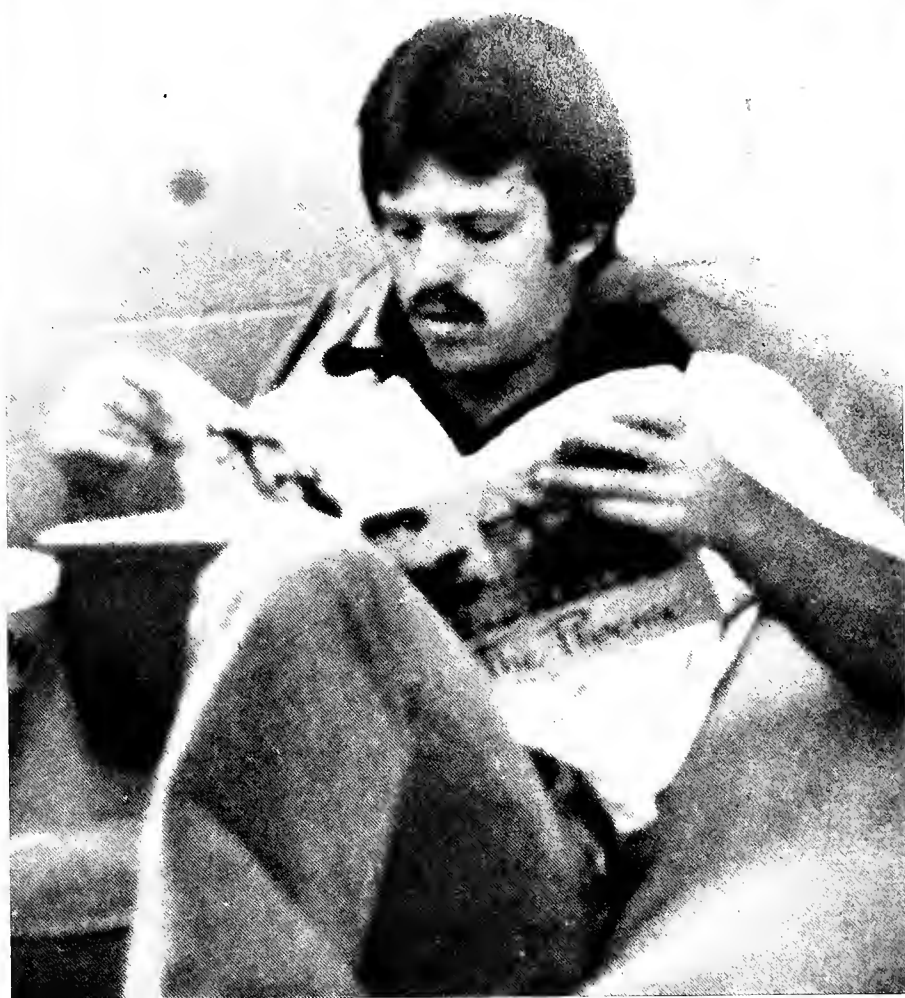

*I only know
that wherever I go
whatever I do,
the days I've spent
right here
will always be
a really special part
of my life . . .*

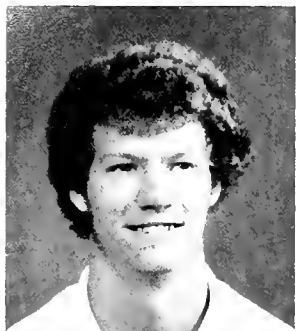

A Time To Remember!

The sophomore class of Cumberland Must contain leadership character, and responsibility. All of which were exhibited by the class this year.

Their first project as a class was to help the incoming freshmen get acquainted with the campus. The success of the mentor program was due to help from some of the class.

Sponsoring the Homecoming dance for the basketball season was another achievement by the class.

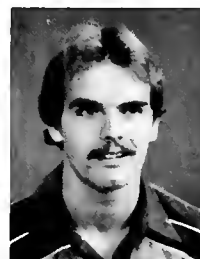

We wish all of them the best of luck for the future.

Reflections

Half-way there. For some it has been too long to get this far. Others have felt it was days of good times, but everyone agrees it has been an experience. Our first year as college freshmen seemed different in many ways, but it was a new beginning. A chance to meet people, start a career, and grow as individuals. Who could forget the first day we arrived on campus. It was our time now to enjoy the maturity of college life. The dominant idea that sticks in our memories is the spirit shared by everyone.

Our freshman year was one of change and excitement. The fashion of the season was the toga and "Superman" became the box office hit of the time. Our Intercollegiate teams seemed to keep winning with the spirit and enthusiasm of friends backing them all the way. As the year came to an end, the question on everyone's mind became "Will I be back?"

The answer for most became "Yes," as we returned for our final year here at Cumberland. It was now our turn to show the leadership and be the crutches for the "new kids on campus."

It was the start of a new decade with new ideas and interests. We had a closeness now. There was a lot of excitement, but there would be more spectacles just ahead.

Now we begin to think of independence, new faces, and challenges which will further shape our tomorrows. We have wondered at numerous social and historical events. Confusion, instability, and corruption. But more fondly, we will remember May 9, 1980. Now let us work to achieve more dreams, contemplate opportunities, and begin from this day.

The freshman class was one of excitement and promise for the future. When they arrived on campus in September they brought with them self confidence and assurance.

Their project for the year was the Spring Formal. This became one of the more outstanding events of the spring semester.

Next year this class will be the new campus leaders. We wish them well.

The Student Council of this year was one of the most active Councils Cumberland had ever had. They were responsible for planning, supervising, and participating in most of the activities that were held on the campus. Some of these activities include special movie nights, the basketball homecoming, and the Christmas Hanging of the Green. The operation of the "remodeled" Student Center also fell under the jurisdiction of the Student Council.

PHI THETA KAPPA

Phi Theta Kappa is a nationally affiliated honor fraternity. The students who are members of this organization must maintain a 3.00 cumulative academic average. The fraternity seeks to recognize and encourage excellence in its proper discipline. Also the fraternity contributes significantly to the intellectual life of the campus by stimulating students to sound scholarship by fostering creativity, developing leadership, and deepening appreciation for intellectual and cultural pursuits.

The club this year sponsored the talent show and the Turkey Raffle; both held during the fall semester.

The club this year under the leadership of Mrs. Marilyn Mathis and Ed Holland, went to the State Convention in Gatlinburg and received a lot of honors. Regina Webber was elected to the position of State President of Phi Beta Lambda.

YEARBOOK STAFF

The PHOENIX is put together with a lot of hard work and patience. It takes the work of photographers, copy writers, and an editor. It presents a permanent pictorial record of the highlights of the school year. This publication provides opportunity for the students to develop their literary, business, and artistic talents.

May 9, 1980

As editor of the PHOENIX Yearbook I have come across some great challenges. Trying to decide what is important to the students of Cumberland and putting them into pictures is a difficult task itself.

I have had the pleasure of being the editor of this publication the past two years and have enjoyed both. There are several people I would like to recognize for their help and opinions. First, the advisor for the PHOENIX, Mrs. Frankie Kinnard who had the faith in me for two years in doing this book. Thanks to Mr. Jim Dressler for taking pictures, ordering supplies, and all the photography advice. A lot of response from ideas came from Mrs. Cynthia Brumfield and Mrs. Carol Bass, thanks. Then there is the staff who helps in putting things together and putting up with me when we were getting close to a deadline. Most of all, I would like to thank you, the Student Body and Faculty of Cumberland College for providing us with the entertainment to photograph. I hope you all enjoy the book as much as I have enjoyed putting it together for you.

Sincerely,

A handwritten signature in cursive script that reads "Terry Thompson". The signature is fluid and elegant, with the first and last names being more prominent than the middle name.

Several club members attended the Appalachian Craft Fair in Gatlinburg, Tennessee. They also visited Arrowmont School of crafts. Numerous trips were also taken to Nashville and the vicinity to study the local art forms.

The students participating in the club took part in all school functions, along with many outside activities such as Action Auction, a fund raising event offered by a Nashville affiliated television station. They also were involved in local art exhibits presented by area banks.

RANKED SECOND IN NATION

Coach Hal Williams led his Lady Bulldogs to an 18-8 season. This is an extremely good record considering this is only the third year for women's basketball at Cumberland College. At one point in the season they were named second in the nation in women's junior college basketball.

The team was led in scoring by Kellie Rushing with a 430 point total and a 16.5 point average. Lillian Cain came in second in scoring with a 341 points total and a 13.1 point average.

“Swinging” to the Finals

Coached by Hal Williams and Blake Henderickson, the tennis team made a gallant effort to do as well as the team of last year. Although they did not succeed, they did their best under some difficult circumstances.

Representing Cumberland in the state finals were Scott Shanks in singles and Steve Armstrong and Bernie Christian in the doubles class. Cumberland finished fourth in the state of over all competition.

1979-80 Baseball Season

NO STRIKE-OUTS THIS SEASON!

Most of the games played by the "Bulldog Hitters" were played on the home field; providing Cumberland fans with the best baseball season ever.

There for a while it seemed like the successful team didn't know the meaning of "... Losing a game."

The well deserved notability of this team finally came at an all time high when on the eighth day of March, on the home field, President Ernest Stockton announced that the polls showed Cumberland College's Baseball team ranked number one in the nation of Junior Colleges. This was first for Cumberland College and the state of Tennessee.

With this welcomed announcement, came the publicity from area television stations and newspapers. The Bulldog team became the highlight of sports conversation in Middle Tennessee.

The coaches, team members, and the students of Cumberland will never forget this winning event of the year.

MUSIC

COLLEGE SINGERS

Being a member of the top choir in a college you must possess an extreme amount of talent and give of yourself a lot of hard work and time. All these characteristics were produced by this year's College Singers.

The annual "Dinner at Cumberland" was the first project of the choir. This fund raiser is held during the Christmas season with a buffet dinner and entertainment provided by the music department's choirs and soloists.

During the spring semester, traveling throughout the east coast to Washington D.C. was the highlight for this group. While in the nation's capital, the choir sang for President Jimmy Carter and the congregation of his church.

SHOW CHOIR

Along with the College Singers and the Handbell Choir, the Show Choir also toured the nation's capital, Washington D.C., during Spring Break.

This group traveled all over the southern portion of the United States and sang for various groups of students and adults. Songs such as Tenderly, Do Lord, and Boogie Woogie Bugle Boy, were just a few that the Show Choir entertained their audiences with this year.

HANDBELL CHOIR

The Cumberland College Handbells were given to the school by Mrs. Virginia Lawlor in memory of her husband who had a great love for music.

The ringers of this year's choir were known as the best handbell choir Cumberland has ever had. They traveled to Washington D.C. with the College Singers during the month of March. Mrs. Judy Hunnicutt, a well-known writer of handbell music here in Tennessee, wrote a Cumberland Fantasy and dedicated it to this choir. They rang all over the state for schools, civic groups, and banquets. Another one of the highlights was ringing for the Southern Baptist Convention of Handbell Ringers in Nashville.

Take from those
who came before you,
their very best . . .

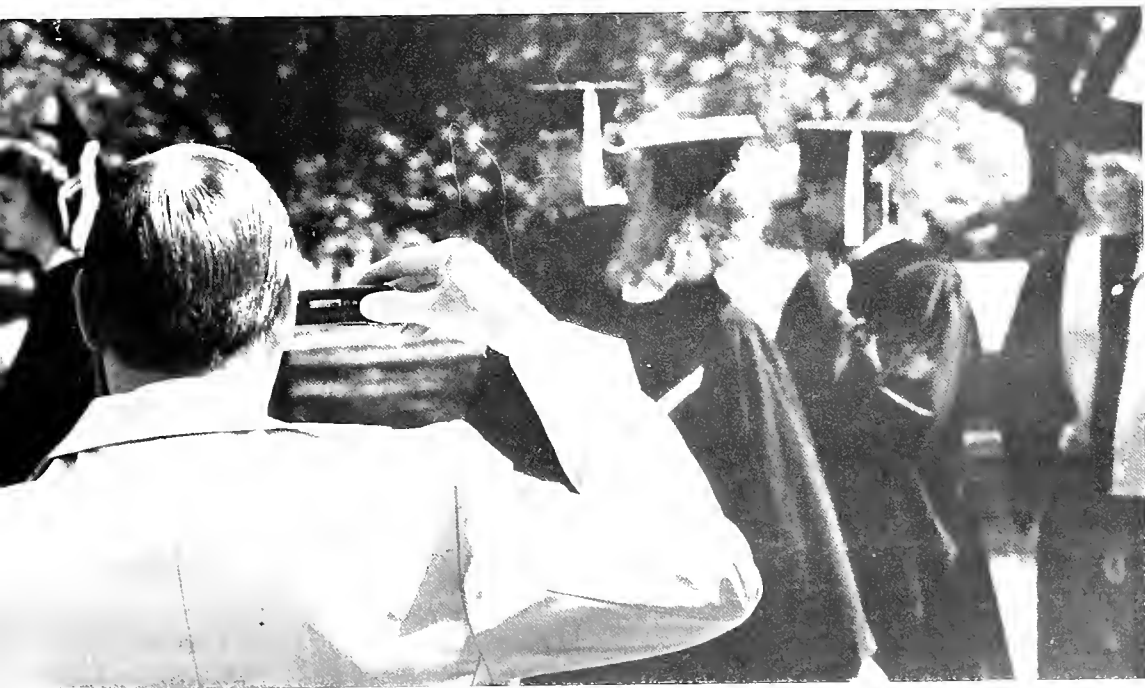

Give to all
who will follow you

The time has finally come
for us to leave this place.
Guide us and protect us
and lead us in thy grace.
Wherever life may take us
as we go our separate ways,
help us share with others the
things we share today.

May the peace of God the father
and the love of Christ his son,
guide us in the days ahead,
and strengthen us each one.
May the blessings of the spirit
fill us from within.

God bless us and return us
to this fellowship once again.
